Friends,

This Wednesday, November 12, Mayor Garcetti will be giving the Keynote address for the Urban Land Institute LA's [Transit-oriented Los Angeles \(ToLA\) conference](#). The event will run from 7:30 am until Noon at the [Japanese American National Museum](#).

We have a limited number of complimentary tickets available for this event. If you are interested in attending and would like a ticket, please let us know as soon as possible.

Last year, the Mayor announced the unveiling of the [Great Streets Initiative](#). This year's speech will give an exclusive preview to the work we're doing now and what to expect on our Great Streets. The Mayor will be joined by thought leaders from across this city to discuss new and exciting ways of activating our streets through walking, biking, public transportation and place-making. The central theme of this year's conference is to explore how smart planning can improve the health and wellness of people and neighborhoods.

Please let us know if you're interested in attending.

Thank you,

Mayor Garcetti speaking at ULI's Transit-oriente...
